A short time ago he received his discharge from his ambulance company because of illness caused by severe rheumatism. When two days out from Bordeaux he suffered a shock, from which he has not yet recovered.

### Case of Pellagra in Rutland.

Rutland had 14 deaths during July and the number of transmissible diseases reported to City Health Officer F. H. Gebhardt was 27. Dr. Gebhardt makes the following report:

Causes of deaths: Organic heart disease, three; pneumonia, gastritis, suicide by firearms, typhoid fever, lumber mill proposed drive against the Germans next accident, cancer of liver, diabetes, arterio-sclerosis, cancer of intestines, premature birth, nephritis, puerperal eclampsia, one each.

Transmissable diseases: German measles, 13; measles, four; scarlet fever two; mumps, two; typhoid fever, three; whooping cough, one; diphtheria, one; pellagra, one.

Pellagra is a rare disease in the north and the case is the second in Rutland Preston commanding, as provisional field in more than a year. The malady is artillery, was next, followed by the 1st municable diseases because the health authorities at Washington wish to gath. for action, with approximately 1,200 er statistics about the existence of the disease in the United States.

### TO DO WAR SERVICE.

### Rev. Arthur H. Bradford to Engage in Y. M. C. A. Work.

Rutland, Aug. 1 .- Rev. Dr. Arthur H. Bradford, pastor of the Congregational church in this city, is to accept a call from the national war work council of the Young Men's Christian association of the United States to serve for three Jersey National Guard troops at Camp McClellan, Anniston, Ala. At a meeting of the prudential committee, the deacons and the board of governors of the local church at the community house last evening it was voted to urge Dr. Bradford to accept the call and grant him a leave of absence. Those present expressed the feeling that it was an honor to the Rutland church to be able to supply a man for such an important war

Dr. Bradford will preach at the Rutland church next Sunday. The call to go to Alabama is expected to come about the middle of August and it has been arranged to have Rev. Robert Seneca Smith, formerly of Clarendon, now on the faculty of Smith college, preach at the Congregational church on August 12. Arrangements for filling the pulpit at later dates will be made at once.

Dr. Bradford is to have with him a building secretary, who corresponds to the general secretary, a physical director and two assistants. Association Secretary W. H. Tinker, who sent him the call, says: "These troops, of course, are senable rates. sure to go to France and we feel that the opportunity of ministering to them spiritually is one that the church simply cannot afford to miss. The association is wholly unable to care for the task alone, and we therefore hope that your church may find it possible to release you for at least three months for this most important service. We will pay, of course, all your expenses and whatever salary the church may not feel it wise or possible to pay."

The Y. M. C. A. men divide the soldiers with whom they work into units of 5,000 and it is a division of this size with which Mr. Bradford will be associated.

### ADMITS THEFT.

Leo Lamonte Was Bound Over to Rutland County Court.

Rutland, Aug. 1 .- Admitting that he was guilty of breaking into the camp of Charles E. Novak of this city in Mendon and stealing a shotgun, a silver watch, a phonograph, 100 records and other things, Leo Labonte pleaded guilty in city court yesterday to the charge of grand larceny and was bound over to county court under bail of \$500. He could not furnish bonds and was committed to the county jail. Labonte has been working at the Brock home under the name of Robert Dodge. He is a fugitive from the Vermont industrial

school at Vergennes, having escaped last September while serving a sentence for stealing money from his mother.

Mr. Novak recovered all of the stolen articles. Labonte made four trips to the camp on as many evenings. He gained entrance by means of a trap door.
